OVER-THE-SHOULDER
WITH **NOEL JACKSON**, DDS, FAGD

OVER-THE-SHOULDER

WITH NOEL JACKSON, DDS, FAGD

Dr. Noel Jackson has been a comprehensive restorative dentist for 30 years. This intense 1-1/2 day course will cover the preparation of a full arch, the use of a CO₂ DEKA laser to develop gingival architecture. Dr. Jackson will demonstrate the use of the TECH-SCAN computer occlusal analysis for evaluating full-mouth cosmetic cases. It will cover jaw relationship, laboratory communication and temporaries that produce the WOW factor. This program will show the actual placement of an upper arch cosmetic case using rapid cementation technique.

Dr. Jackson is a dedicated and highly energized dentist with a strong passion for dentistry. He received a B.A. degree from Michigan State University and a D.D.S. degree from the University of Detroit dental school. Dr. Jackson currently serves on several civic and professional organizations. He is a member of the Trenton Rotary. He is the founder and current president of a non-profit charitable organization for the Downriver Youth Performing Arts Center.

Dr. Jackson has worked with Olson Dental Laboratory for 30 years. He has completed numerous full-mouth reconstruction cases. He currently maintains his cosmetic practice in beautiful downtown Trenton. In 2008, Jackson Dental Design Studio had outstanding growth of 18%. This comprehensive workshop is an opportunity to observe over-the-shoulder chairside dentistry with one of Olson's finest cosmetic dentists.

Be part of this exciting 1-1/2 day seminar. For more information contact Olson Dental Laboratory.
